

# SEEKING AN INTERIM LAB DIRECTOR?

## WHAT WE DO

Staffing shortages in healthcare are a real issue and your lab is no exception. We understand how difficult it can be to find the right candidate, especially one who plays such an integral role within the organization.

Accumen has a number of proven candidates that can fill this Lab Director role on an interim basis until such time that a permanent candidate is found.

Interim engagements may be shorter or longer term, depending upon the needs of the Client.

## WHO WE ARE

Accumen is a healthcare consulting company with over a decade of experience, providing hospitals and labs in the U.S. with access to highly experienced team members and specific technologies that accelerate results related to lab operations, clinical transformation, imaging advisory services, and 3D medical image post-processing.

Please note: Accumen is not a staffing agency.

## OUR APPROACH

Our bench of Interim Lab Directors are experienced and all have a proven track record of being very successful in this leadership role. When placing candidates, we balance the unique needs of each laboratory with real-world operational experience.

We vet our contractors as we do our own employees, ensuring they are:

- The right cultural fit
- Adhere to the highest ethical standards
- Their skillsets match the position at hand
